Full details of the Parent live events can be found on the website. [Click Here](#) This page will be updated with recordings of the meetings after the events in case you are unable to attend.

At the meeting, we will provide information about activities during the trip, talk about expectations regarding behaviour and inform you of the items your child will need to bring. A copy of the essential kit list can be found attached with this email. Hard copies of the kit list will be available after the event and can be collected by students when collecting tent request forms (more details to follow at the meeting), which will enable you to obtain anything you may need over the half term break.

If your child has any special dietary requirements or medical conditions, e.g. asthma, we will welcome any instructions and requests at this stage.

Students are encouraged to join you at the live event, they will be asked to complete a form in school on Thursday morning indicating whom they would like to share a tent with. I will then endeavor to ensure students are sleeping / taking part in activities with at least one other person who they have asked to be with. Please note, as far as possible, the tents will be in school groups. This is so staff can manage three separate sleeping areas at the campsite due to the large number of students going.

The deadline for final payment is **Wednesday 7th July**. Please ensure you have paid in full for the trip by this date. If there are any outstanding payments then your child will not be able to attend the trip.

Yours sincerely
