Following this session, if you still have questions or would prefer to have a personal conversation, then we would be very happy to arrange a telephone call with you to discuss individual questions. Please contact Vicki Pearson and she will organise a time for you to talk with a member of the transition team.

We hope you have been able to log onto FireFly as set out in my last letter and had the opportunity to view the whole school virtual tour. Now you know your school allocation you may wish to go back and view the relevant school section on the transition page. The guest log in to FireFly will be open all through the summer holidays so please do go back and look at the information as many times as you want, and encourage your child to do the same.

We look forward to welcoming you to our virtual events. Seeing your child during summer school and then seeing you in September.

Yours sincerely,

Lydia Shelley
