

Dear Parents & Carers

### **School Uniform – 2022 Update**

This letter will hopefully come as welcome news to all parents.

We have teamed up with a company called Grown Out of It, which will allow parents to buy and sell second-hand school uniform via their secure online platform.

Grown Out of It specialises in school provisions, as well as purchasing our school uniform and sportswear, parents will also be able to purchase and sell other school-based items such as shin pads, or moulded astro turf football boots.

The site <https://www.grownoutofit.co.uk/register> - is a free service, built for ease of use and with additional resources offering insight and support for parents.

One fantastic element within Grown Out of It is their donation facility. This option allows parents to donate to the school at point of sale which would be gratefully received and would support the wider community. This is completely voluntary and in no way a condition of using the website.

Parents who run their own business are also being offered the opportunity to include their business logo and a link to their website on our Grown Out of It school page for just £10 a month with 10% of that going straight back to our school. You just need to email [advertising@grownoutofit.co.uk](mailto:advertising@grownoutofit.co.uk) and state which school you are attached to.

We believe that this additional resource offers parents a cost saving option for school uniform and assists us all in our journey toward a sustainable future for the next generation.
